

Seven Rings

Pinot Noir Napa County, California

The Seven Rings Story: Inspired by the number seven, which has long been associated with good fortune, we created Seven Rings Wines to epitomize Napa Valley excellence.

Combining extraordinary vineyards with award-winning winemaking, our Napa Valley Pinot Noir is a classic blend of richness and complexity. Aromas of ripe cherry and strawberry on the nose are counterbalanced by dark fruit, cola, and a touch of spice from French oak barrels.

Tasting Notes: This Pinot Noir is ruby in color and has ripe cherry and vanilla aromas followed by flavors of strawberries, blackberries, cola, and a hint of spice. The smooth mouthfeel, velvety tannins and super-long finish add up to a spectacularly balanced and sophisticated Pinot Noir.

Winemaking: The grapes were carefully hand-picked at night and in the early morning hours. They were then brought to the winery and 100% destemmed. After a brief cold soak, they were fermented in small vats, maximizing temperature at 85 degrees F. After being gently pressed, the lots went through 100% malolactic fermentation before aging in French oak for 9 months.

Grape Sourcing: This Pinot Noir was sourced from our vineyards on the Napa side of Carneros Valley. Carneros is one of the rare AVA's that splits two counties, both Sonoma and Napa. Rounded river stones that washed down from the mountains thousands of years ago from farther up north in Napa Valley as well as from the sides of Mt. Veeder contribute to the variety of soils in Carneros. This geological heritage and thousands of years of soil movement create stripes of large and small river rock, interspersed with areas of smaller loam and sand. It is no secret that Carneros is a classic Pinot Noir and Chardonnay grape growing area.
